Updates in Surgical Oncology

Multimodal treatment of Gastric and EGJ Cancer

22nd February 2019, ore 8.30 - 13.30

Aula Magna, San Luigi University Hospital – Orbassano (TO)

Winter meeting of the Italian Research Group for Gastric Cancer
(GIRCG)

22nd February 15-18 /23rd February 9-13

820 introduction

Conventional Treatment

Chair: O Bertetto, VM Scagliotti (S Novello)

Moderators: U Ricardi, A Comandone, M Morino

830 indications to neoadjuvant conventional treatment for EGJ cancer (MA Satolli)

850 indications to neoadjuvant conventional treatment for gastric cancer (M Tampellini)

9.10 indications to adjuvant conventional treatment for EGJ and gastric cancer (M Airoldi)

930 the role of radiation treatment (U Ricardi)

950 Is neoadjuvant treatment for Gastric Cancer based on a strong evidence? A claim for a new trial. (M Degiuli)

1015 upfront controlled surgery vs neoadjuvant treatment+ controlled surgery. A proposal for an international multicentre phase III randomised controlled trial (R Reddavid)

1030 the point of view of the ethical committee (Frascisco, CE molinette)

1045-1130: discussion

Surgical Oncologists: P Depaolis, F Borghi, S Gentili, R Polastri, M Calgaro, A Ferrero, T Viora, M Amisano, Bertolino, M Garino, A Muratore, S Testa, V Sorisio.

Medical and radiation Oncologists : M Aglietta (Candiolo), M Di Maio (Mauriziano), MP Brizzi (S Luigi), F Testore (Asti), A Gennari (Novara), E De Marino (Vercelli),

Molecular classification and targeted therapy

Chair : S Giordano

Moderators: M DiMaio, M Volante

12 Molecular classification of gastric cancer (C. Marchio', University of Torino)

1220 Targeting of receptor tyrosine kinases: why clinical trials have been disappointing? (S. Giordano, University of Torino)

1240 Immunotherapy for Gastric Cancer: Time for a Personalized Approach? (D. Sangiolo, University of Torino)

13 Preclinical models of gastric cancer to guide drug selection patient. (S. Corso, University of Torino)

1320 discussion

1330 lunch

Winter meeting of the Italian Research Group for Gastric Cancer (GIRCG)

CHAIRS: D Marrelli, P Morgagni

Friday 22nd 2019

15-18: general assembly and works of the commissions

Saturday 23rd February 2019

9-13 general assembly
